

## Senior IT Audit Consultant (14066)

University of South Florida System Audit performs financial, compliance, operational, and IT audits, as well as special investigations and consulting projects, in accordance with professional standards. It is a cutting-edge internal audit shop that is well suited for life-long learners who are comfortable addressing a wide variety of subjects in a dynamic and meaningful environment. The office reports functionally to the USF Board of Trustees Audit and Compliance Committee and the USF System President.

The Senior Information Technology (IT) Audit Consultant has primary responsibility for planning and performing IT audits designed to identify risks and opportunities to improve processes, as well as making recommendations to mitigate against loss, and protecting the university's assets and reputation.

This position requires no overnight travel, minimal overtime, and offers flexible work hours. It also requires compliance with USF System policies on safeguarding confidential financial and personal information, and a level 2 criminal background check.

Minimum qualifications:

- Bachelor's degree in Computer Science, Information Systems, Business, Accounting or a related discipline from an accredited university,
- Three years of experience working as an IT auditor or IT risk adviser,
- Active professional IT certification such as CISSP, CISA, CISM, CRISC or CGEIT.

Preferred qualifications:

- Master's degree in Information Technology or related field from an accredited university.
- CPA, CIA, ITIL Certifications are a plus.
- Experience working with IT frameworks and professional standards such as COBIT, NIST, ISACA, IIA, COSO, FISCAM and ITIL.

At USF, you will find opportunities to excel in a rich academic environment that fosters the development and advancement of our employees. Serving more than 48,000 students, the USF System has an annual budget of \$1.6 billion and is ranked 43rd in the nation for research expenditures among all universities, public or private.

USF offers a first-class benefits package, which includes:

- Eligibility for the State of Florida's generous retirement, medical, dental, and life insurance plans.
- The Employee Tuition Program, that allows full-time USF employees to waive the tuition costs of up to 6 credit hours per semester.
- Accrual of 6.769 hours of vacation time biweekly (4.4 weeks per year), and 4 hours of sick leave biweekly (2.6 weeks per year). Employees immediately accrue and can utilize leave with no waiting period.
- Nine paid holidays each year. In addition, the university President may announce additional floating holidays.

USF also recognizes the importance of a good work-life balance and offers a wide variety of on and off- campus activities and services, including on-campus childcare options and a campus recreation center.
